The form consists of a large grid for writing. The grid is 20 columns wide and 20 rows high. On the right side of the grid, there is a vertical axis with numerical labels: 500, 600, 700, 800, 900, and 1000. These labels are positioned at the right edge of the grid, corresponding to the horizontal lines of the grid. The grid is intended for the applicant to write their motivation letter, with the vertical axis likely representing the number of characters or a specific format requirement.
